GLOSSARY

<u>Appropriation</u> - A specific amount of money authorized by the City Council for an approved work program or individual project.

<u>Assessed Valuation</u> - A dollar value placed on real estate or other property by San Diego County as a basis for levying property taxes.

<u>Balanced Budget</u> - A budget in which planned expenditures do not exceed planned funds available.

<u>Beginning/Ending Fund Balance</u> - Unencumbered resources available in a fund from the prior/current year after payment of the prior/current year expenses.

<u>Bond</u> - A certificate of debt issued by an entity, guaranteeing payment of the original investment, plus interest, by a specified future date.

<u>Budget</u> - An annual financial plan that identifies revenues, types and levels of services to be provided, and the amount of funds that can be spent. Carlsbad's Operating Budget encompasses one fiscal year, as does the Capital Improvement Program appropriation.

<u>Capital Improvement Program</u> - A multi-year financial plan containing proposed construction of physical assets such as park, street, sewerage, and recreation facilities. This program has identified all projects which are the responsibility of the City between the present to buildout.

Capital Outlay - Equipment (fixed assets) with a value \$1,000 or more and an estimated useful life of more than one year, such as automobiles and office furniture, which appear in the Operating budget.

<u>Cost Allocation</u> - A method used to charge General fund overhead costs to other funds, such as Enterprise funds and Internal Service funds.

Debt Service - The payment of principal and interest on borrowed funds such as bonds.

<u>Department</u> - An organizational unit comprised of programs or divisions. Examples include the Police Department, Library Department, and Human Resources Department.

Encumbrance - A legal obligation to pay funds, an expenditure of which has not yet occurred.

<u>Enterprise Fund</u> - A fund type established to account for the total costs of selected governmental facilities and services that are operated similar to private enterprises. These programs are entirely self-supported, and include the Water and Sanitation Departments.

<u>Expenditure</u> - The actual spending of funds set aside by appropriation for identified goods and services.

<u>Fee</u> - A general term used for any charge levied by government for providing a service or permitting an activity.

<u>Fiscal Year</u> - A twelve-month period of time designated as the budget year. Carlsbad's fiscal year is from July 1 to June 30.

<u>Fund</u> - A set of interrelated accounts to record revenues and expenditures associated with a specific purpose.

Fund Balance - The amount of financial resources available for use.

<u>General Fund</u> - The primary fund used by the City for which revenues and expenditures are not legally restricted for use. Examples of departments operating within the General fund include Fire, Library, and the City Manager's Office.

<u>Grant</u> - Contributions of cash or other assets from another governmental agency to be used or expended for a specified purpose, activity, or facility.

<u>Growth Management Plan</u> - A comprehensive approach to land-use planning ensuring controlled and managed growth within the City, while providing designated public facilities.

<u>Growth Management Standards</u> - Standards for acceptable service levels that have been established for eleven public facility categories.

<u>Interfund Transfers</u> - Payments from one fund to another fund, primarily for work or services provided.

<u>Internal Service Fund</u> - A fund that provides services to all City departments, and bills the various other funds for services rendered. Examples of Internal Service funds include Fleet Maintenance, Information Systems, and Workers' Compensation Insurance.

<u>Maintenance and Operation</u> - A general category used for classifying expenditures for materials, supplies, and services that are normally used within the fiscal year.

<u>Operating Budget</u> - The annual appropriation of funds for ongoing program costs, which include salaries, benefits, maintenance, operation, and capital outlay items.

<u>Operating Costs</u> - Estimated expenses that can be expected to occur following the construction of a Capital Improvement Project.

<u>Personnel</u> - Costs associated with providing the staff necessary to provide the desired levels of services. Included are both salary and benefit costs.

<u>Revenues</u> - Amount of funds received from the collection of taxes, fees, permits, licenses, interest, and grants during the fiscal year.

<u>Special Revenue Funds</u> - A fund that collects revenues that are restricted by the City, State, or federal government as the method by which they may be spent.
